What Happens Next Due to COVID-19?

As you all know, the state as a whole is being very precautious with the coronavirus. We want you to know that we're aware and staying alert and will continue to make decisions as the spread of the virus progresses. As long as we have healthy staff and/or are not required to shut down per state regulations, the Central Office will continue as normal.

HEAD START

All Head Start Centers are closed as of March 16th and until further notice. Families are instructed to contact their center's Family Advocates (FA). Enrichment packets have been sent home with all students.
